Come to the Water

by Rev. Char Burch, Transitional Conference Minister

Calling all SEC authorized ministers! If you have ever felt tired,

overwhelmed, or concerned about the future – please keep reading and “Come to the Water!” If you would benefit from a few days away with time to reflect and be nourished – “Come to the Water.” If you seek ways to have more balance in your life – “Come to the Water.” If you could benefit from connections with colleagues – “Come to the Water.”

Whether as a pastor of a local church, a chaplain, a pastoral counselor, or even retired, life can be stressful. This is an opportunity to distress! The UCC Pension Boards is providing us with the resources to make possible this Clergy Wellness Retreat. The program includes some great workshops, worship, free time and even chair-massages. Since spouses/partners are part of the well-being of authorized ministers, they are also invited to attend. Note: if you are not an authorized minister, encourage those you know to attend!

I know that it is easy to say “I don’t have time to get away” or “taking the time to relax will actually create more stress.” I have said these things. But I have also learned that making the effort to attend such a retreat as this can actually provide the extra breath needed to restore one’s well-being. So come, come to the water and be refreshed!

- **Date:** March 8-10, Place: DuBose Conference Center, Monteagle, TN
- **Cost:** \$20 per person for 2 nights and 5 meals (Cost waived for MIDs)
- **Registration Deadline:** February 21

News from the Wider Church

Puerto Rico Earthquake Recovery Assistance

In Puerto Rico, a series of powerful earthquakes, including one of 6.4 magnitude on Tuesday, January 7, have killed one person, injured several, unleashed small landslides and caused homes and other buildings to crack and crumble. The earthquakes and aftershocks have taken out power

across most of the island, also leaving hundreds of thousands without water.

In response, the Rev. Karen Georgia Thompson, UCC associate general minister and co-executive for Global Ministries, is dispatching funds to Global Ministries partner IEUPR (Iglesia Evangelica Unida de Puerto Rico) so the church can assist with needs of first response, such such as hygiene kits. Disaster Ministries is also issuing an emergency appeal to continue to assist the people of the island with a goal of \$250,000. [Learn more on the UCC website.](#)

New Legislation Resolves Three Important Issues for Ministries and their Employees

On Friday, December 20, 2019, Congress passed new legislation that repeals certain taxes and reduces costs for ministries and their employees. Thanks to the bipartisan support of legislators in both houses of Congress, the resources of America's religious communities can remain focused on their mission work rather than on these onerous taxes and costs. The Church Alliance (church-alliance.org), a coalition representing 38 denominational benefits organizations, urged legislators to fix three issues that negatively impacted the ministries and church workers they serve.

The three areas affected are:

- Repeal of Cadillac Tax on health care coverage
- Repeal of the Parking Lot Tax
- Clarified church retirement plan eligibility for church-affiliated organizations

Worshippers Targeted by Gift Card Scam

The Federal Trade Commission, our Conference staff, and some of our churches report that they are seeing a new spin on gift card scams. This time, scammers are pretending to be a pastor asking worshippers for gift card contributions for a worthy cause. Appeals are often made by email, but we've heard people are also getting texts and phone calls, too.

The bogus emails often include the name of the local pastor and a legitimate-looking email address. But a closer look should raise some red flags. For example, the email address isn't the one normally used by the

church, and the service provider is different, too. The message may begin with a simple “Hi,” but doesn’t include a recipients’ name. There also may be spelling errors, including the pastor’s name.

The imposter asks you to buy a popular gift card and then asks for the gift card number and PIN on the back of the card. Those numbers let the scammer immediately get the money you loaded onto the card. And once that’s done, the scammer and your money are gone, usually without a trace. Learn more about how to prevent this scam on the [FTC website](#).

Tax Resources for UCC Employees and Employers

Did you know that the Pension Boards has a wealth of information available for clergy and churches as they prepare their taxes? Documents include a Clergy Tax Return Preparation Guide (formerly Tax Guide for Ministers), information about the Housing Allowance Resolution (for tax year 2019), as well as Federal Reporting Requirements for Churches. It's available on the [Pension Boards website](#).
